SUBJECT. Claim of Mr A. Srinivas Iyengar, Retired Asst. Comr & Mortgagee of ½ share of the Sarvamanya Gavadagere for the Local Cess on Toddy Revenue

LAST REFERENCE. Letter No. 3018/160 dated 3rd Dec/92 from the Excise Comr.

In Oct/91 a complaint was presented to the Dy Comr, Mysore Distt, by Mr Srinivas Iyengar that though the revenue from toddy had been included in the items composing the Jodi of the future Village as per Sanad

of H. H. the Nizam bearing
Dy 6th Feby 1826, and through
the local cess on the Ryotee
Bearing of the Village is
being paid by him to
Govt, he is not required
to pay again the Local
Cess on the Toddy rent
which he gets from
the Govt Contractor.

2. The Dy Collr after
making some preliminary
enquiries on the
subject, obtained an
Extract from the Inam
Settlement register of
that Village, which

showed that the toddy
revenue estimated at
Pagodas 207–1–8 (about
Rs 603–12–0 at 2–14–8
per pagoda) had been
included in the Beriz
of 559–6–2 Pagodas
or Rs 1627–15–6

3 The amount of toddy
rent now payable to
the Maundar for
half the Village is Rs 115/-
per annum exclusive
of the value of the surplus
toddy exported from
the Main Village to
other parts which the

4

Dep. uty Com.r says amounts to Rs 1407-. Thus the total income per annum would only be Rs 255/- which is less than 1/2 the Toddy Revenue of the Village.

4. Under these circumstances the Dy Com.r submits the Case for Orders & States that it appears to him that the levy of the Local Cess separately on the Toddy Revenue payable by the Contractor would be a double levy of the same

5. The Cess on the Toddy Revenue payable by the Contractor to the Headmans was Collected in the previous years under the authority of Chief Comrs Progs No 2435 Rev 121 Dy 19th June/75 which provides for no exemption from the levy of the Cess even in cases in which the revenue from Toddy has been distinctly treated as assets in Calculating the Rents of the Village

vide para 2 of the Progs

6 The Excise Comr in
submitting this case for
Orders states that the
question of the payment
of cess in regard to all
Inam Villages without
any exception seems to
have been settled in
Govt Progs of 1875 but
under the exceptional
circumstances stated by
the Dy Comr he recom
mends the case for
the favourable Consideration
of Orders of Govt.

Submitted for orders.

Local Cess on the total beriz of the Inam village is levied from the Inamdar.

The beriz consists of different items such as - Land Revenue, Mohatarfa Sayar, Toddy &c

The Complaint is that Local Cess on Toddy Revenue is paid twice - once by the Inamdar with the total amount fixed for the village & next by the Toddy Contractor who is authorised to deduct the Local Cess from the Inamdar's rent from this source

Para 2 of the Chief Commrs Pro No: 2435 of 19th June 1875 Rev 21 requires that "the Cess leviable on the Inamdar's rent from this source should be paid direct to the Govt: by the Contractor, on account of the Inamdars, and be deducted by him from the amount, which he pays to them".

Sir,

I have the honor to transmit, herewith, letter No: 791, dated 29th November 1892, from the Deputy Commissioner, Mysore District, addressed to you, together with its original enclosures, regarding the claim of the Inamdar of Gowdagere, Krandya taluk, for exemption from the payment of local cess on the Toddy revenue payable to him by Toddy Contractors, and to state that the question of such payment in regard to all Inam Villages without any exception, seems to have been settled so far back as 1875 in Govt: Proc: No: 2435 Rev: 21, dated 19th June 1875. But under the exceptional circumstances stated by the Deputy Commissioner, I beg to recommend the case for the favorable consideration and orders of Government.

Deputy Commissioner,

To

The Chief Secretary to the Dewan of Mysore,
Thro' The Excise Commissioner
in Mysore.

SIR,

I have the honor to state that a complaint was presented to me by mr. A. Sreenivasa Iyengar, Retired Assistant-Commissioner and mortgagee of ½ share of the Sarvamanya Village of Gowdagere, in the Mandya Taluk, stating that as the Revenue from Toddy had been included in the items composing the Beriz of the entire village, as per Sunnud of His Highness the Maharajah dated 6th February 1806, and as the Local Cess on the entire Beriz, or Revenue of the village is being paid by him to Government there was no reason why he should be required to pay again the cess on the amount of Toddy rent which he received from the Government Contractor. Before proceeding with my enquiry, I made a reference to the Inam Superintendent and obtained an Extract from the Inam Settlement Register of that village, which showed that the Toddy Revenue valued at Pagodas 207-0-8 (equivalent to about Rs 603-12-0 @ Rs 2-14-8 a pagoda)

had been included in the total Beriz of 5-59-6-2 pagodas or Rs 1627-15-6. The amount of toddy rent now payable to the Inamdar for half the village is Rs 115 per annum exclusive of the value of the surplus toddy exported from the Inam village to Maddur and Malavelli &c which, it is apparent from the evidence adduced, amounted to Rs 140 Thus the total income per annum would be Rs 255 which is less than ½ the toddy beriz as above particularized.

2. Under the circumstances, it appears to me that the levy of the Local Cess of one anna separately on the toddy Revenue payable by the toddy Contractor would be a double levy of the same tax. The Cess due to Government on the toddy Revenue payable by the Contractor to the Inamdars was collected in previous years under the authority contained in Chief Commissioner's Proceedings No 2435 / Rev 121 dated 19-6-1875 which provides for no exemption in cases in which the Revenue from toddy has been distinctly treated as assets in calculating the Beriz or recorded value of the village.

3. I beg therefore to submit the case for the orders of Government.—

The extract from the Inam Register and the proceedings and other papers connected with the subject, are submitted herewith, in original, for reference and

and obliging returns.

Counter Petitioner

D. C. Mallappa
late Toddy Contractor
Mysore District

The petitioner states as follows:—

(a) That he is in possession and enjoyment of ½ share in Gowdagere Inam village in the Nanjangud Taluq and the total beriz or recorded value of the same being as per Samvat Rs 813-15 which includes a sum of Rs 301-14 on account of toddy income

(b) That a sum of Rs 50-14 is levied annually on account of local cess on the said total Beriz by the Amildar and has been recovered accordingly from the petitioner up to 3rd year Virodhi, i.e 1889, and when the Amildar demanded payment of Rs 50-14 as due to Govt on account of local cess for the year Vikruti, i.e 1890-91, the petitioner objected to pay the whole amount as the toddy contractor (Counter Petitioner) had already deducted

deducted Rs 20-4-0 on account of local
cess said to be due to Govt on the Coddy rent of 1/2
share of the Inam village for 1887 to 1890 and that he (petitioner)
would only pay the balance Rs 30-10-0 which
the Amildar refused to receive. The petitioner
thereupon sent the money to Mr. D. Vamakal Rao
Y/P Deputy Comr in September last who remitted
the same to the Treasury to be credited replying
at the same time to the petitioner, to that effect,
and hence the demand of local cess for Vikruti
Subsidy and withholding remainder to be paid by petr

(2) That petitioner prays that an order
may be issued to the Amildar to the effect
that he should only collect from year Khara
the balance
after deducting the amount of cess collected
by the Coddy Contractor from the Coddy rent payable
the petitioner

It will be seen from a reference to Mr. D. Vamakal
order in his Hukum No: 389 dated 18th Sept/71
that the said Sum of Rs 30-10-0 was only to be
received as payment made on protest subject

Memo

Mr. Srinivas Iyengar's contention in the main is that as long as he pays Local cess on the whole Beriz of his Inam village, he is not bound to pay the same seperately on Toddy revenue realized every year. The question was discussed by the Chief Secretary and the opinion was that the Inamdar is entitled to a refund of so much of the amount of Local cess as is calculated on the Toddy revenue included in the Beriz of the village.

In cases in which the Toddy revenue is conceded to the Inamdar, the Sanad generally shows what was the amount of such revenue at the time the village was alienated. In recent years the Toddy revenue has considerably increased and the Inamdar is bound to pay cess Local cess on the increased revenue realized by

by him In order to ascertain whether the Beriz of the village on which Local cess is calculated includes the Toddy revenue Mr. Sreenivasa Iyengar was asked to produce the original Inamad or other Document; which, he does not seem to have done. Unless he shows that, the Local cess he now pays includes that payable on Toddy revenue; his liability to pay the amount calculated on the annual realizations from this item cannot cease.

The question as to what amount the present Contractor is to pay on account of Toddy revenue is a question of fact, and will have to be decided by a regular enquiry. The cases referred to, were pending in the Sub-division and I remember of having ordered their being sent to the District Office for early disposal.

Beyond this, nothing has taken place in the matter.

Sir

I beg to acknowledge the
receipt of your docket Gel No 2198
d/ 14 Nov current, and in reply there
to state as follows

The Sunnad lands of the village,
(Land, Mohatharpha, &c) is Rs 1620
/10/11, of which the Zoddy revenue is
Rs 603/12/ Of this total amount
one half is the each share, viz
Rs 800 & odd, so that the Zoddy revenue
for my share is shewn as Rs 30/14
In the inam title deed d/ 1st Dec
1880 it is put down thus "Old
valuation 1627/15/6" plus Rs 7/4/7
How this difference has occured
I do not know. The present-day
Zoddy realization for my share is about
Rs 200 only (decrease only, no increase
at-all) and with the other revenue
the whole comes to about Rs 650 (no
increase but-decrease only). It would
thus

ve goo deemph
th the details
ed for showing
ecess due from
has been calcu

Hence be seen that the valuation
Rent is much more than the present
actual realization, i.e. Zoddy renewal
more by Rs 100 & odd, and the other
renewal by about Rs 50. Now it would
be seen that the local cess is
calculated by the Taluq authorities
at random once for all, upon the
gross old valuation, including Co
Mohatharpha &c for which there is
no local cess, instead of calculating
it on the nett, after deducting Moha-
tharpha, &c. Accordingly to their old
valuation, my share comes to Rs
8/3/15/9, of which Zoddy is Rs 30/14/4,
though the fact is otherwise as shewn.
The cess is calculated by the Taluq
authorities upon the Rs 8/3/15/9, which
comes to Rs 30/14/4, and this is levied
yearly without deducting mohatharpha
and other items having no cess, and
without any regard to periodical change
variation, season &c; and now in
addition to the above rough levy, a
further deduction is made by the
Zoddy contractor in the amount due
by him to me on a/c of Zoddy sold
by him at the village, on the ground
that he is also to pay to Govt local
cess on the amount payable by him
to Govt on a/c of the village Zoddy
sale. Thus the payment of the cess
by me has grown double, treble &
so on. The Chief Secretary, therefore,
pointed out to Mr Ramakal Row

that I am entitled to a refund of
much of the amount as is deducted
the Toddy contractor from what he is
to pay to me. On the subject of this
excess valuation & wrongful levy of local cess
I addressed a petition to the Deputy Com.
and the reply received is to the effect—
that Survey settlement would adjust
such things. I do not know how the
Survey settlement could do so, but how-
ever I am waiting for it for further
movement, if necessary. Such has been
the glaring practice up to this time, and
I hope you will bring these things to the
notice of Govt for justice-sake.

3. Now, after deducting so much as the
Toddy contractor deducted from my due,
the remainder has been paid in by me,
and so the a/c for the year vikruthi
last has been settled.

4 What remains to be done is the
issue of an order to the Amildar of
Mandya to receive from me so much
as is payable after deducting the sum
deducted by the Toddy contractor,

5 The contractor has in this way withheld
from me my due for two years last,
and therefor I claim the amount
with interest at 12 p/c per annum
and with costs of the suit

6 The other question is this:- The contractor
was paying me for the preceding period
of the Toddy contract at Rs 9 per month
for the village sale of Toddy, but as
the amount of the present district
contract is much larger than
the amount of the preceding contract,
I claim proportionate increase for myself.

The

he Chief Secretary also enquired to Mr Ramaiah for that this was very simple, the contractor must pay me proportionately Similar complaints have already been accordingly decided by the Deputy Comm. I was never asked to produce any document whatever. It is about 140 years since the village was granted, & the state of things as they stand for such a length of time requires no proof.

Thus what I ask for the present is an order to the Amildar as above shewn, and an order to the effect that the 2000 contractor should pay me in proportion to the amount of the present contract with interest and Costs. I earnestly solicit the favor of your settling the matter for me without further delay, the case being already pending three years since,

Chief Sec.

I hold one half Share as mortgagee of the Inam pillage Gowdgeray in the Taluq of Mandya and I was paying the usual local cess to Govt on the whole Beriz, which included Toddy and other Cesses. Some three years ago, there was an order by the Deputy commissioner of the District to the effect that the Toddy contractor should deduct from the amount due by him to me, on account of the pillage Toddy, local cess on the amount of the Toddy contract payable by him to Govt. Unusual as this was, it made double payments of the cess on my side, and double receipt on behalf of Govt. This gave rise to complaint to the Dewan and the matter is still pending. Having duly seen Mr Ananda Rao, Chief Secretary, and Spoken to him on the subject, he asked Mr Namakal Rao to settle the matter for me by passing an order to the effect that I may pay the cess to Govt less the amount which the Toddy contractor deducts from the amount payable by him to me on account of the pillage Toddy. In the meanwhile, there arose another case. The Toddy contractor pays to me Toddy Shop rent at percentage on the amount of the periodical Toddy contract, and this varies according or in proportion to the amount of each of the periodical Contract. For the three years contract ending on.

on the 31st. March 1890, the contractor was paying me at 9 Rs a month. The amount of the subsequent contract for 3 years being much larger, I claimed at 12 Rs per month; but the contractor having roughly said that he would not pay me more than 6 Rs a month a dispute arose, & there was another complaint on this head to the Depty commissioner. The Depty commissioner referred the complaint to the French rocks subdivision office for disposal, but this is also pending in the subdivision office for the past two years. As suggested by Mr Ananda Rao, Mr Namakal Rao undertook to send for the papers from the subdivision office, and settle both the complaints. In the meanwhile Mr Namakal Rao told me to remit to him the amount of the local cess due by me to Govt minus the sum deducted by the contractor. This sum has accordingly been paid by me, and the Depty commissioner has written to the Amildar on the subject. The Amildar had attached the pillage worth 15,000 Rs for some 30 Rs, and even that, without obtaining the previous sanction of the Govt as directed by the Revenue code. I hear that the Amildar is also called upon for explanation on his illegal proceeding. &c.

As you are now the Depty commissioner I have had to trouble you briefly with these lines, and I request that you will be so kind as to settle the matter for me at an early date, as proposed by Mr Namakal Rao, at your early convenience. &c.

To
A. Rungasawmy Aiyangar Esqr
Depty commissioner
Mysore District.

yours most obediently.

My dear Sir, Talcher

You have ordered a collection of all orders relating to Dondy. If perhaps the one sent with me (copy) is not complete with the collection, I herewith send the copy. It is the Chief Commissioner's proceedings 3/19 June 92 No 2405, Rev 21 in which the Swamis rights and the rights of the contractors are shown. The defendants conduct as witness in court is well known to yourself to need any remarks by myself. He said that I had no right to propose and he had the right in the contract to give the Swamy as he chose. Kindly that you will be pleased to give me

Sir,

Complaint has been made to me by Mr A Sellamuttu Pillai Inamdar asst Comr & Mortgagee of ½ share of the Sarvamanya village of Gowdapur Mandya Taluq that the revenue from toddy has been included in the assets forming the basis of the entire village as per Sanad of H. H. the Maharaja 26-2-1832 and that such being the case; the local cess on the entire basis or revenue including that derived from toddy has been paid by him, whereas there is no

why he should be required to pay the
~~Cess~~ on the amount of Toddy rent
which he received from the Govt
~~Toddy~~ Contractor I have the honor
to refer you to the above request
and to request that you will kindly furnish me
with an extract from the settle-
ment Register of this Pergunnah
so as to enable me to find out
the entire revenue of the village
the item of Toddy alone was
to form during the settlement &
what the details are of the other items
and thereupon to determine how
far the argument advanced by
the Petr is tenable.

I have &c

Proceedings of the Chief Commissioner Mysore, Department of Revenue, Agriculture and Commerce, 7th June 1875.

From the Commissioner, Ashtagram Division, To the Secretary to the Chief Commissioner of Mysore, General Department, No. 137—Re, dated Mysore, 26th May 1875.

I have the honor to forward herewith for the c of the Chief Commissioner copy of letter No. 189, dated 5th instant, from the Deputy Commissio Mysore District, requesting instructions on the following points.

1. Whether the toddy contractor of the Mysore ict is liable to pay local cess to inamdars on the contract amount of toddy in their villages?

2. Whether the inamdars' claim to the prime c f one anna and pie two per pot of 24 seers of toddy, when such toddy is removed for sale beyond t its of their inams, is admissible?

3. Whether in determining the amount of contr payable by the contractor to inamdars, the amount given to them by the former contractor should aken as the basis of calculation, this being in excess of the amount paid to them during the perio he contract which ended on the 31st October 1868?

Regarding the 1st point, inamdars pay local c to Government on the recorded value or beriz of their inam villages, which in some cases in the receipts from toddy as well as revenue from all other sources. Under the Chief Commission authority conveyed in the Secretary's docket No. 2529—65, dated 9th August 1872, they have pow recoup themselves, for local funds payments made by them to Government, from the occupiers of ds at the same rates as they pay to Government. This settles the question of local cess on land nue, but there is no order under which the inamdars can claim payment of local cess on other ite It seems to me therefore, that a claim on this account against the abkari contractor is untenabbut that the cess is payable to Government, and should be paid by the contractor direct, the a me being deducted from what he hands over to the inamdar.

As regards the 2nd point, I should say that, wh ce a contractor pays a certain fixed sum of money to an Inamdar for the use of the toddy of his n village, the latter cannot claim from the former any further payment on the same account. Mr Hill, however, not having stated in his letter under what circumstances prime cost was demanded, whether or not it was paid by the former contractor, a further report on the subject has been call r from him.

The 3rd question requires a short explanation.

During the period of the abkari contract which ca on the 31st October 1868, and of which the amount was Rs. 1,68,323 and odd, the inamdars rec d a certain fixed sum of money from the contractor. This contract was extended to a further per f 17 months to Arunachala Modaliar at the enhanced amount of Rs. 2,30,000. During which period Inamdars received *no extra* payment. When the contract was given to Captain Taylor in 1870 for R ,00,000, it was originally ordered by Major Campbell, that a deduction proportionate to the differe between the last two sums should be made from the contract amount to be given to inamdars, but a protest by the inamdars Major Campbell ordered enhanced payment calculated according to the pro ion which the contract of 1870 bore to that of 1868.

It is this order that the Deputy Commissioner now re ts to, but his reference was almost unnecessary, the Inamdars being clearly entitled to a proportio e increase over the sums paid to them by Captain Taylor.

From the Deputy Commissioner, Mysore District, To e Commissioner, Ashtagram Division, No. 189, dated Mysore 5 May 1875.

I have the hon to request your instructions on the lowing points in connection with the toddy contract leased to Messrs. Brown and Roochmall.

2. The Inamdars claim from the contractor, in on to the proportionate increase which they are to receive, the payment of the local cess, on the grou that they have to pay local cess on the beriz of their village in which abkari is included. Mr. Brown obts to make the payments as it is not stipulated in the bond, and the claim is advanced now for the fir time.

3. The contractor claims the privilege of taking fre charge whatever quantity of the toddy he may require for sale beyond the limits of the inams. e inamdars object, and claim payment of the prime cost at the prevailing rate which is generally one and two pie per pot of 24 seers. On the other

hand the contractor complains of the smallof the profits in cases in which he has to import toddy from a distance for sale in inam villageshich there are no date groves.

4. In Commissioner's Circular Order No. the 29th March 1870, it was decided that the inamdars should, notwithstanding the loss to Govent by the last contract, obtain from the contractor an advance of 20 per cent on their former contra It is asked now whether in calculating the proportionate increase which they are to receive, tlove enhancement should be deducted.

5. The favor of an early reply is request

No. 2435—Rev. 21, dat Bangalore, 19th June 1875.

Order thereon.—The Commissioasks for instructions on the three following points arising out of claims put forward holders of inam villages against the toddy contractor for the Mysore District :-

1*st.* Whether the toddy contracts liable to pay local cess to inamdars on the contract amount of todd their villages.

2*nd.* Whether the inamdars' cl to the prime cost of one anna and two pies per pot of 24 seers of tod when the liquor is removed for sale beyond the limit of their inams, is missible, and—

3*rd.* Whether in determining payment to be made by the contractor to the inamdars, the amount g to the latter by the former contractor should form the basis of compu on.

2. On the first point, the Offg Commissioner observes that the claim to payment of local cess from the contractor now made by the inamdars for the first time. It may in some cases happen that the nue from toddy has been treated as assets in fixing the beriz or recorded value of i villages, but in the large majority of cases, little or no revenue was probably deriv from this source, and there are instances of inam villages which have no date grov laiming and obtaining a share of the toddy contract. Moreover, the concession mto inamdars in guaranteeing to them under the terms of the contract between the ernment and the toddy contractor a share in the profits of that contract is a suffici liberal one, to remove grounds for any additional claim upon the contractor. The ffg. Chief Commissioner concurs in the opinion of the Commissioner that the cess levi on the inamdars' rent from this source should be paid direct to the Government by contractor, on account of the inamdars, and be deducted by him from the amount of which he pays to them.

3. With regard to the 2nd poin the Offg. Chief Commissioner coincides in Major Hay's opinion that after the inamdar consented to receive payment in a fixed sum from the toddy contractor, the latter ist be at liberty to dispose of the toddy as he pleases. It is probable that there are ses in which an inamdar may object to see his date groves overworked in order to m the wants of other localities. In such cases the inamdar will be free to decline to se his trees to the contractor or even to withdraw the present lease on condition th six months notice be given prior to the expiry of any official year during the curren of the toddy contract unless his agreement with the contractor prevents such a conrse.

4. The question raised on the 3 point involves no difficulty, bu to obviate some misunderstanding which seems to exis the Offg. Chief Commissioner desires that the proportionate increase payable to the imdars should be computed with reference to the arrangements entered into with the i dars during the act which terminated on 31st October 1868.

T. CLARKE,
Offg. Secretary.
